

Prix Essor : Postdoctoral fellow of the year

The Faculty of Graduate and Postdoctoral Studies (FESP) and the Vice-Rector for Research, Creation and Innovation recognize the outstanding research work of a postdoctoral fellow and their contribution to their host unit.

Recognition awarded

A \$1,500 scholarship and a certificate of recognition will be awarded to the recipient.

Eligibility criteria

To be eligible for this award, the postdoctoral fellow must:

- Have been active, in whole or in part, between January 1 and December 31, 2024;
- Must have taken place at Université Laval or one of its affiliated centers.

Evaluation criteria

To receive this award, the postdoctoral fellow must:

- Have made an outstanding contribution to the advancement of their field of research;
- Have contributed to the dynamism of their host unit;
- Have contributed to the training of graduate students in their host unit;
- have demonstrated outstanding leadership.

The committee, chaired by the Vice-Dean of FESP, will be made up of faculty members from different research fields.

Timetable

January 6, 2025: Call for nominations

February 7, 2025: Deadline for emailing applications to the FESP

March 7, 2025: Announcement of results

May 27, 2025: Awards ceremony

Application form

The dossier may be submitted by the candidate or by someone else. It must include:

- A maximum two-page text explaining why the nominee deserves the award, with regard to the evaluation criteria. Please bear in mind that some members of the jury may not come from the same discipline, so it's important to popularize achievements to make them intelligible to a wide audience;
- The candidate's abbreviated curriculum vitae (maximum 5 pages), including official dates of postdoctoral fellowship and presenting highlights and relevant achievements;
- A letter of support for the application signed by the faculty member who supervised the postdoctoral fellowship (maximum 2 pages).

Applications should be sent by e-mail to

Ms Carole Lalonde
